4.1.1 Details of infrastructure and physical facilities available for teaching-learning

The Institution has adequate infrastructure and physical facilities for teaching-learning as per the University norms. Taking into consideration present needs and future perspective, the campus infrastructure is continuously increasing and updated. The teaching-learning facilities are developed in consultation with College Development Committee & Staff. They are designed for effective and efficient conduct of the educational programs with a philosophy of optimum utilization for every constituent of the Institution viz. students, teachers and staff.

Our college is located in the rural area and Yavatmal district is known as Farmer suicide district. The college is providing excellent educational facilities to the students. The college campus is green, calm and environmentally minded, with pure air, water available. The students taking admission in Collage are from rural areas. Since our college is out of town, Students in the rural areas got comfortable.

We have 5.11 acres of land Mouje bagwadi bypass road Darwha S.R.No.140/2 and 139/03 Tq.Darwha Dist-Yavatmal.

Classroom Facilities:

The college has 02 ICT-enabled Seminar halls equipped with LCD projectors with internet facility and CCTV cameras, 3 spacious and well-ventilated ICT-enabled classrooms with CCTV, Wi-Fi facilities. 1 is open court yard space 26.42 x 9.23 = 243.85 MTR are often used for conferences, seminars, workshops, training programmes and such other activities related to knowledge transfer within college. Our college administrative building is well built up. It has 15 rooms and various sections are situated which includes administration office, Principal's cabin, staff room, seminar hall, class rooms, Library, reading room, Laboratory, etc. Our college office is well-furnished and computerized with automation software, having ICT tools. The functioning of office is student-centric. The staff room & Library with all facilities like basic furniture, internet facility along with 8CCTVs. The location of office, Principal's cabin and staff room is very convenient for students to approach. Canteen facilities have been made available since this year.

Laboratory Facilities:

The college has 1 laboratory for Home Economics practical's and with sophisticated equipment's. There is 1 well equipped laboratory advanced equipment's, provided with all needed facilities and is used for practical purpose. laboratory is spacious with user friendly infrastructure.

Library:

The library is spacious and well-equipped. Library is well furnished and computerized with Cloud Base Library software. Library is enriched and day by day growing with several study materials like, books, research journals, Online Journals N-List, free Network resource centre. At Present books collection is 4137. Fully Open Access Library. Mobile Base MOPAC. A separate study guide has been prepared for the students preparing for the competitive examination. They are provided with 20 chairs, large table for group discussion, calm environment, airy open rooms, separate books for competitive exams.

Research Centre:

As we have research canters for both Sociology and English departments, separate compartments have been provided for them. A departmental library has been arranged. Different book cases have been arranged for keeping books.

Network Resource Centre:

Network Resources Centre is useful for Students, Teachers with Network Resources Centre is having 5 computers with internet connectivity & Wi-Fi.

Playground:

The playground is of 1 hector area. Out-door game facilities like 200 mtr. running track, kabaddi ground, Kho Kho court, volley ball court, Indoor Badminton court, etc. are available. Well-equipped Gymnasium, our college has MOU with Agriculture College, Darwha for Gymnasium & other facilities. The agriculture college is run by our parent institution so it is very convenient for the college to get the facilities of other wings also. Benches have been provided in the ground to accommodate the students.

Drinking Water:

The college has water cooler (with R.O) for staff and students.

Company Name: - USHA

Cooling Capacity: - 170 Lit./ hr

Storage Capacity: - 400 Lit.
